Seniors will need Long-Term Care

\$4,500+

Avg monthly cost — large ALF facility

- Institutional care feels cold, impersonal, and overcrowded
- Quality residential ALFs are scarce in Houston's inner loop
- Families struggle to find dignified, home-like settings for loved ones
- Most facilities cannot accommodate growing demand from 65+ population

THE SOLUTION

Radiant Retreat Care Inc. — A New Standard in Residential Assisted Living

Home-Like Setting

Type B luxury ALF in a beautifully renovated residential home — not a clinical institution

Professional Care

RN-designed care plans, 24/7 CPR-certified staff, licensed medication management

Premium Experience

Gourmet meals, weekly outings, private & shared rooms, luxury finishes throughout

Why Houston. Why Now.

- Houston ranks 5th largest U.S. city — 7.6M metro population and growing
- Severely limited supply of quality residential ALFs in Houston's inner-loop neighborhoods
- High demand from Houston Medical Center professionals seeking quality care for aging parents
- Residential ALFs command 20–30% premium over institutional facilities due to personalized care
- Healthcare remains Houston's #1 employment sector — creating sustained local demand
